The rags to riches story of the Sir George Williams Georgians football team

may have a happy ending this weekend provided they get a little help.

The Georgians play host to the University of Montreal Carabines Friday night at Verdun Stadium to close out the home season. A win for Sir George will give them a 5-1 won-lost record and at least a tie for first place in the Eastern Division of the Central Canada Intercollegiate Football Conference.

Whether the Georgians go any further than their division will depend on a game Saturday in Lennoxville which will oppose Loyola College and Bishop's University. If Loyola wins, they will tie the Georgians for top spot and Sir George will take the title because of their 14-9 victory over the Warriors during the regular season.

If Bishop's should win however, they would tie Sir George for first, provided Sir George wins Friday, and the Gaigers would get the title because of a victory over Sir George during the season.

Coach Brian Hayes hopes his Garnet and Gold squad can come up with a better effort than they did against Macdonald last Saturday. The Georgians won 38-7 but were sloppy in their play execution except for a brief spell in the fourth quarter. Bob Bindon was the game's individual star with two touchdowns.

Bindon, and veteran Tom Dyce are currently battling for the team leadership in scoring. Dyce has 32 points on five touchdowns and a two point conversion while Bindon has 30 points on five touchdowns.

Place-kicker Pierre Damarche is third with 24 points.
